## Zortech LED Grow Strip GS 92-600/650

*Customizable grow light solution. Ideal for use  
in vertical farming.*

- Low strip profile and compact design is optimal for use in tight spaces.
- Easy magnetic installation. (Thermal tape is an option if mounted to non-magnetic surfaces)
- Customized coverage area
- Customized power output
- Low heat output
- IP 65
- No fans
- Low cooling costs
- All models are available with the IHP (Intelligent High Power) System – Remote Power Supply in variable power and voltage configurations including 347 V. Please inquire for extra information on IHP System.

GS 92 - 600 model include 6 strips and comes with 110-277 V power supply or IHP remote power supply system

GS 92 - 650 model include 7 strips and comes with 347 V IHP remote power supply system

Model:	GS 92-600	GS 92-650
Power:	552 W	644 W
Input Voltage:	90-305 VAC or IHP	IHP
Frequency range:	47-63 Hz	
Spectrum:	Full Spectrum White	
Lumens:	180 lm/w or 16,560 lm per strip	
	99,360 lm 6 strips	115,920 lm 7 strips
Lifespan:	>50,000 hours	
Light Beam Angle:	120	
Case material:	Aluminum	
No Lenses		
Strip Size:	1220 x 74 x 24 mm	
Strip Weight:	1800 g per strip	
600 W Power Supply weight including the box (mounted separately):	5.6 kg	
Coverage area:	Custom	
Operating Temp:	-20 C to + 50 C	
Warranty:	5 years	

**Spectrum Test Report**
